Availability: 1
Weight: 145.00kg
Dimensions: 1,247.00mm x 419.00mm x 868.00mm
Call for Price: +359(0)887335557

Short Description
The fire with added dimension.

Description

The fire with added dimension.

Metro 100XT Tunnel *Eco Wave* is a see-through balanced flue gas fire for a room divider or adjoining rooms, making an impressive 3D spectacle. The burner spreads the fire in across the entire width and depth of the fire bed, while the extra tall glass window provides a much higher flame picture than that of ordinary gas fires.

Specification

Technical specifications
