This 2-sided gas fire has extra tall windows for a perfect view of its beautiful flames. And this fire has the unique Summerlighting® feature for all year round function, atmosphere, warmth and comfort. Turn to electric mode with minimal heat output, remarkably realistic flames and a comforting glow; ideal for summer evenings when the sun has set and you can relax next to the fire. When placed on a plateau, a special LED cover plate ensures the fullest glow in the fireplace. The exclusive Dynamic Flame Burner® creates high, dense and comforting flames at the coldest times of the year.
