Short Description

Classic hole-in-the-wall gas fire.

Description

Classic hole-in-the-wall gas fire.

Metro 100XT *Eco Wave* is a beautiful 1 metre wide letterbox gas fire. It has large rustic logs and high, realistic flames. It is completely frameless, with an uninterrupted view of its fire display. It has a smooth black interior, throwing the flame picture into sharp relief or a [*Ceraglass*](#), mirrored finish, which adds visual depth to the flames.
